

# The Ludwig Wittgenstein Project

## Wittgenstein online

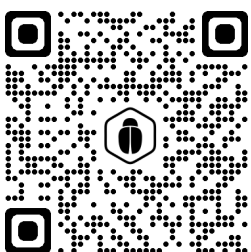

On 1 January 2022, Wittgenstein's works will enter the public domain almost everywhere in the world.

Starting from that date, The Ludwig Wittgenstein Project will provide complete, well-formatted, downloadable, free books: the German or English originals will be available, as well as translations in multiple languages.

## Get involved!

The LWP is a non-for-profit endeavour. If you are a translator, a Wittgenstein scholar, a legal expert, or if you would like to help by proofreading the texts, please contact us!
